Fax: (306) 523-3031
E-mail: info@rbe.sk.ca

January 14, 2021

Dear Parents/Guardians and Students:

As you are aware, Regina Public Schools has recently returned to in-class learning.

Your Board of Education and the school division would like to know about your family's experiences, challenges, and observations with temporary remote learning. This survey is voluntary, anonymous and confidential. We want your input and do not require personal details.

All trustees of the Regina Board of Education and the school division executive received many comments from parents and the public about moving to temporary remote learning. This survey will assist us in hearing from more of you. We are also looking to students for their feedback and they can complete the survey at school or home. Their voices are important to us, as we focus on enhancing the learning journey for all students.

We will publicly share a summary of the survey results on the school division website, www.reginapublicschools.ca.

Governance decisions made by your public board of education and operational direction determined by the school division are based on best practices and in consultation with experts, such as the Saskatchewan Health Authority. Your feedback helps focus and humanize those best practices, whenever possible, and ensures that our school division's diversity of voices are heard.

The deadline for completing the survey is January 29, 2021.

Here is the link for the confidential, anonymous survey. Note that links to the survey will also be available at the school division website, on all school websites and the Twitter account @RegPublicSchool.

For your convenience, you can also scan this QR Code on your smartphone to access the survey.

Thank you in advance for your participation, and we look forward to hearing from you!

Adam Hicks
Chair, Regina Board of Education
